First National (Processor) basis these rates off of the highest cost card in each category – whereas with WeDJ.com, if the card costs less to process – you're charged less. First National keeps the difference as profit.

This is added to the \$0.15 per transaction above! You could pay up to a total of \$0.45 per transaction!

This is added to the \$0.15 per transaction above! You will pay a total of \$0.46 to do ONE Transaction with this Association's Plan!
